

GIPS 2023

CALL FOR PAPERS

The 3rd Global Image Processing Symposium

www.gips.net

Hangzhou, China
January 10-12, 2023

The 3rd Global Image Processing Symposium (GIPS) will be held in Hangzhou, China from January 10-12, 2023. The conference will bring together researchers and practitioners from both academia as well as industry to foster innovation and entrepreneurship, and network with the brightest minds in the field.

COMMITTEE

Conference Chairs

Jimmy Liu, Southern University of Science and Technology, China
Kwong Tak Wu Sam, City University of Hong Kong, China / IEEE Fellow

Program Chairs

Jinlong Lin, Peking University, China
Hongyan Fu, Tsinghua Shenzhen International Graduate School, China

Program Co-chairs

Haijun Zhang, University of Science and Technology Beijing, China
Paolo Terenziani, DISIT - Universita' del Piemonte Orientale, Italy

Publication Chair

Bo Gao, Peking University Shenzhen Graduate School, China

TOPICS

- Computational Imaging
- Restoration and Enhancement
- Synthesis, Rendering, and Visualization
- Image Processing for Geophysics
- Compression, Coding, and Transmission
- Learning with Limited Labels
- Document Analysis and Processing
- Image & Video Systems and Applications
- Emerging Applications and Systems
- Interpretation and Understanding
- Detection, Recognition, and Classification

For more topics: <http://gips.net/cfp.html>

PUBLICATION

Accepted and presented papers will be published into the **conference proceedings**, which will be online and indexed by *EI Compendex* and *Scopus*.

SUBMISSION

Online Submission System: [SUBMISSION LINK](#)
Full Paper Format Download: [FULL PAPER](#)
Abstract Format Download: [ABSTRACT](#)

IMPORTANT DATES

Submission Deadline: August 10th, 2022
Notification Deadline: September 10th, 2022
Registration Deadline: September 30th, 2022

VENUE

Courtyard by Marriott Hangzhou Qianjiang (pending)
No.298 Fuchun Road, Jianggan, 310020
Hangzhou, China
